Subject:

This is to inform you that when the first claim for the year 2009-2010 was paid, the money from the second claim was there to pay it. At that time, I was owed the amount of 55,524.37. From one day to the next, that money disappeared, and they told us that as more time would pass, they would have to pay us more interest, but they were deceiving us. With interest, the amount is \$75,168.30. Therefore, I want the money that is owed to me, that I worked for but that was never paid to me, which is the \$55,524.37. I would like to know where that money is and what it was used for. That money belongs to the poor underpaid workers. Meanwhile the white-collar thieves are living it up to the detriment of responsible and decent workers.

I want the money that is due me because of my work, which is \$55,524.37. That money was not gifted, but earned through work. I want that \$55,524.37 that is due to me.
